A Mission of the Churches of Richmond Hill

Holiday Report

Once again, the Richmond Hill community has come through for the Station. The schools, various organizations, individuals and our churches provided tremendous support during the holiday season. We gave out 90 Christmas dinner bags on December 23. These contained, not only ingredients for Christmas dinner, but also small items such as lotion and razors, toothbrushes and shave creams. We could not do what we do without the fantastic support of our great Richmond Hill Community.

Special thanks go also, to those who filled bags and helped hand them out—two days before Christmas when every one is so busy preparing for their holiday. Thanks Merrit and Kyle and Megan and Joyce and Irmi. Also Bill and Lynne, who worked the Station so we didn't miss anyone.

A special thanks goes to Joyce who did the buying of all the items that were not among the donated—hens and butter, among other things. We especially appreciate Billy at Krogers who helps us with our meat purchases.

Worker Needed

- The Station can use a volunteer to work the fourth Thursday starting in February. You need to be able to lift a heavy, full box or bag of groceries. Volunteers need to be at the Station a little before 9:00 on Thursday and work until noon.
- The job includes filling grocery bags, breaking down large donations, and help put out clothing donations.
- Call Sara if you're interested—756-2460

EAGLE SCOUT PROJECT

Thomas Kretchmar, a scout in troop 486 at St. Elizabeth's Episcopal Church is completing his Eagle Scout project by replacing the aged ramp and front porch at the Station. Check it out! The guys and their Dads have done a terrific job.

Thanks to Plantation Building Supply who helped with the materials for the project.

Empty Clothes Closet

While our clothes closet is not really empty, it is sadly depleted. If you need to make room in your closet after all the good things Santa brought you, the Way Station welcomes donations of clean clothes in good repair. We always need clothes for little boys. We've had folks looking for jackets during this cold weather.

So if you have something that you're not using, it can be left at the Station on Thursday morning. It makes our job easier if the clothes are folded neatly before being placed in a bag. Clothes on hangers are also welcome.

"For I was hungry, and you gave me something to eat; I was thirsty and you gave me drink. . . . Lord, when did we see you hungry, and feed you or thirsty and give you something to drink? Whatever you did for the least of these brothers of mine, you did for me."
